

Correx® Removal & Storage Solutions

Sundolitt Ltd manufactures a number of multi-trip packaging products specifically for the removals and storage industry. Our garment carriers and range of tote boxes are made from a fluted polypropylene material, which is strong, water resistant and durable. These products offer a cost effective solution for packing and transporting clothing, bottles and glassware.

Product	Size (mm)	
Garment Carrier	500 x 455 x 1,200 (LxWxD)	Price includes rail
Wine Box	350 x 255 x 350 (LxWxD)	Price includes 12 dividers
